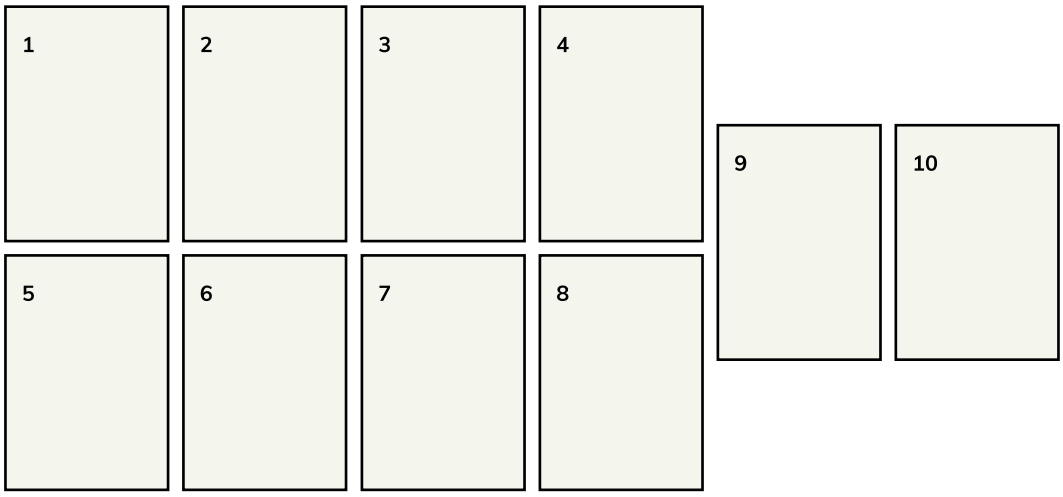
TAROT CHEAT SHEET

# two choices spread

The Two Choices Spread is designed to help you navigate situations where you're torn between two different options. Whether it's a major life decision or a smaller choice with significant consequences, this spread provides a side-by-side comparison of each option, helping you see the positives, negatives, and possible outcomes. It also gives insight into your current energy and how to align yourself with the best choice for your highest good.



1. The first option
2. Benefits of the first option
3. Drawbacks of the first option
4. Possible outcomes of the first option
5. The second option
6. Benefits of the second option
7. Drawbacks of the second option
8. Possible outcomes of the second option
9. Your current energy
10. How to manifest the best option

The Two Choices Spread is ideal when you need clarity between two options. Instead of focusing solely on pros and cons, this spread dives deeper into the potential outcomes of each choice, helping you weigh both emotional and practical aspects. After pulling the cards, take time to reflect on the benefits and drawbacks of each option as well as the possible long-term outcomes. Pay attention to your current energy and use the final card as guidance on how to manifest the choice that will bring about the best possible result.
