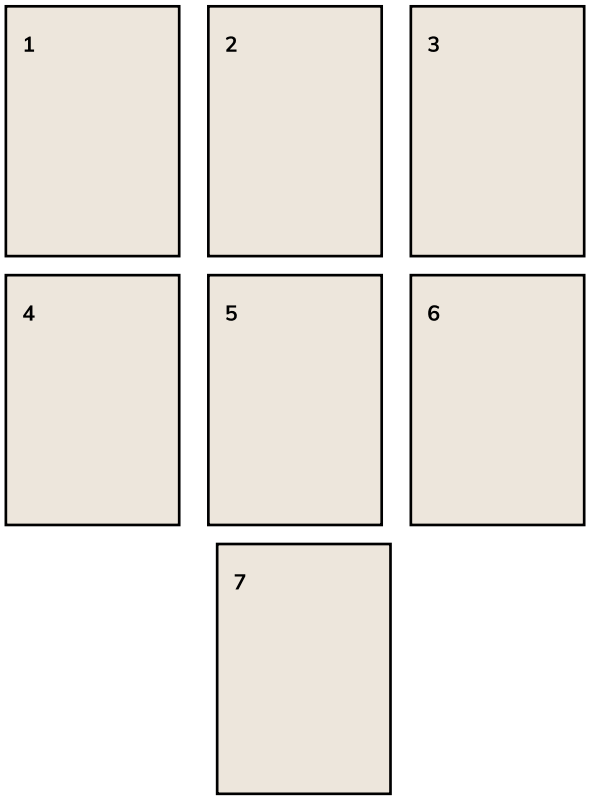
TAROT CHEAT SHEET
relationship spread

The **relationship spread** is designed to analyze romantic relationships, friendships, or partnerships, this spread uncovers the dynamics between two individuals, highlighting strengths and areas for improvement.

1. Represents you
2. Represents your partner
3. The Relationship Itself
4. The Strengths of the relationship
5. The Weaknesses of the Relationship
6. What needs to be done to improve the relationship
7. The likely outcome of the relationship



Use this spread to resolve conflicts or misunderstandings. For example, if you're feeling distant from a close friend, the cards might reveal that while you feel neglected (You), your friend is overwhelmed with personal issues (Partner). The Core Connection card may remind you of your strong bond, suggesting that open communication (Advice) could mend the rift. It's also beneficial when starting a new relationship and seeking insight into its potential.
