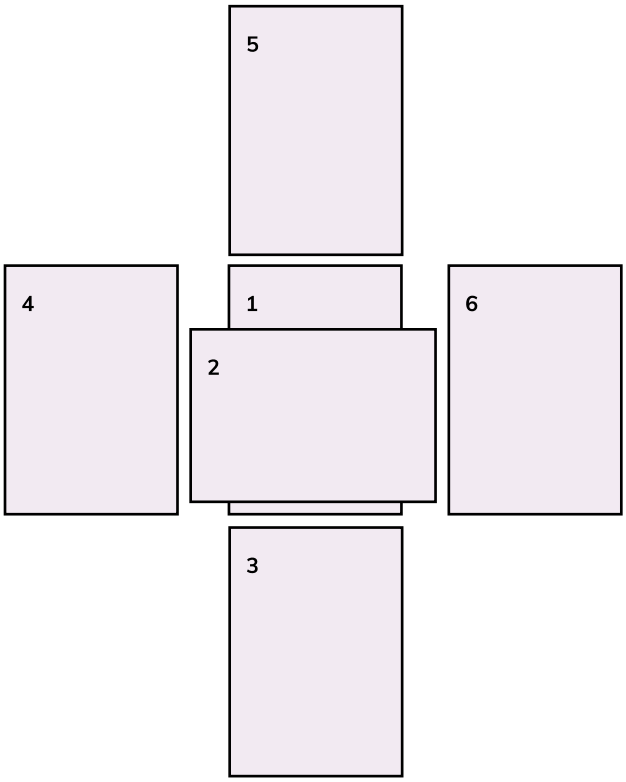
TAROT CHEAT SHEET
new moon predictions

The **New Moon Predictions Spread** harnesses the fresh, renewing energy of the new moon to provide insight into your current state, what you need to release, and how to manifest your intentions. This six-card spread is ideal for setting new goals, initiating projects, and aligning yourself with the beginnings symbolized by the new lunar cycle

1. Your Energy at the Moment - Represents your current state of mind, emotions, and overall energy.
2. What You Need to Leave Behind - Identifies habits, thoughts, or situations that no longer serve you and should be released.
3. How the Moon Can Help You - Shows how the new moon's energy can assist you in your journey.
4. What to Include on Your Altar - Suggests symbols, items, or practices to incorporate into your ritual space to enhance your intentions.
5. What Energy You Need to Call In - Indicates the qualities, opportunities, or energies you should invite into your life during this lunar phase.
6. The Outcome - Predicts the potential result of embracing these insights and following the guidance provided.



This spread is perfect for embracing new beginnings and setting intentions aligned with the lunar cycle. For example, if you're feeling stagnant or uncertain, the spread can help identify limiting beliefs or fears that are holding you back. How the Moon Can Help You might reveal that the new moon's energy offers a clean slate and the courage to pursue new ventures.
