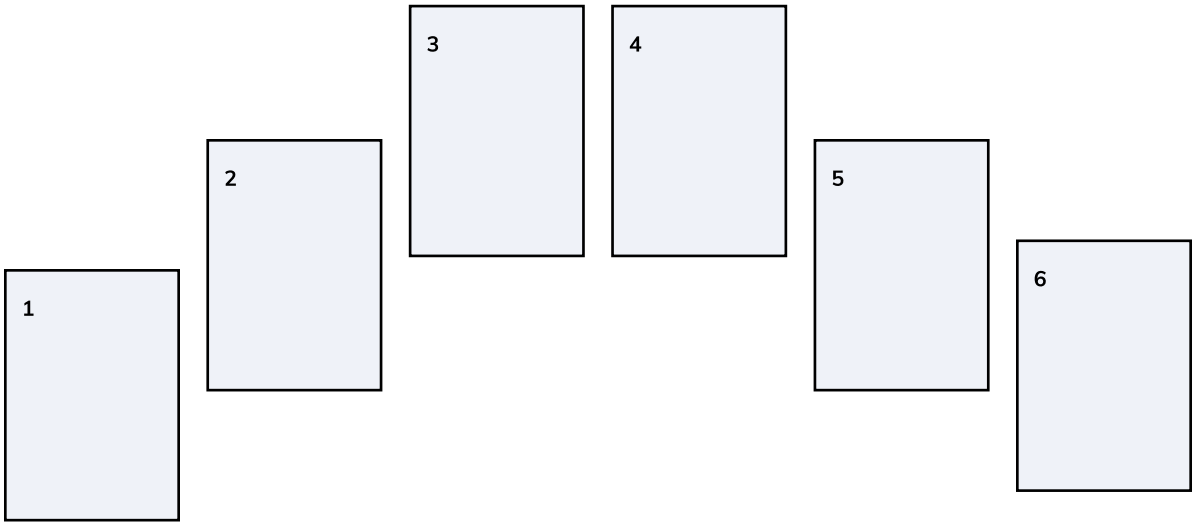
TAROT CHEAT SHEET

full moon spread

The **Full Moon Spread** harnesses the potent energy of the full moon, a time of culmination, illumination, and release. This six-card spread is designed to help you reflect on the past, understand the energies at play during the full moon, identify what you are manifesting, recognize what you need to let go of, and glimpse the outcome of these influences.



1. **The Past - Reflects past events or influences that have led to the current situation.**
2. **The Energies Influencing the Full Moon - Represents external energies or circumstances affecting you during this full moon.**
3. **The Full Moon Internal Energies - Shows your internal state and emotions during the full moon.**
4. **Emphasis on What You Will Be Manifesting in the Near Future - Highlights what is coming into your life or what you are actively creating.**
5. **What You Can Let Go Of - Identifies habits, thoughts, or situations that you need to release.**
6. **The Outcome - Predicts the potential result of embracing these insights and following the guidance provided.**

Use this spread at the beginning of a lunar cycle or when starting new ventures. For instance, if you're planning to launch a business, the cards might suggest releasing self-doubt (What to Release) and embracing confidence (What to Embrace). New Opportunities could point to networking events, with an Action Plan to attend them. Leveraging your determination (Personal Strengths) could lead to a successful launch (Future Outcome).
