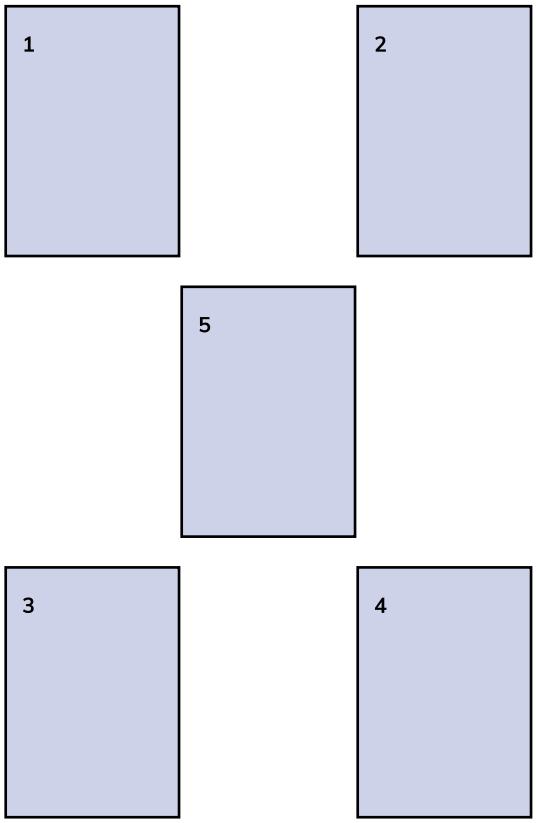
TAROT CHEAT SHEET

big purchase spread

The **Big Purchase** 5 Card Spread is designed to help you make informed decisions about significant purchases. Whether you're considering buying a car, a house, an expensive gadget, or any major investment, this spread guides you through practical and emotional considerations. It helps you assess your true needs, financial readiness, and the potential impact of the purchase on your life.

1. **Can I Borrow It?** Explores the possibility of fulfilling your need without making the purchase. It considers alternatives like borrowing, renting, or finding a substitute.
2. **What Will I Do With It?** Examines how you plan to use the item and whether it will serve its intended purpose effectively in your life.
3. **How Often Will I Use It?** Assesses the frequency of use to determine if the item will be a valuable addition or end up unused.
4. **Do I Really Want It?** Delves into your true desires and motivations behind the purchase, distinguishing between a passing want and a genuine need.
5. **Can I Really Afford It?** Evaluates your financial situation to determine if the purchase is financially responsible and sustainable.



Use this spread when you're contemplating a significant expenditure and need clarity on whether to proceed. It encourages you to reflect on practicalities, alternatives, and your financial readiness without mentioning specific cards in the interpretation.
